## Welcome to Sportsfield Specialties, Inc.

Since 1998, Sportsfield Specialties, Inc. has been the innovative leader in the manufacture and sale of athletic field equipment for high school, college, and professional levels of competition. With over 30 patents awarded for their game-changing designs, Sportsfield is integral to moving the sports construction and venue renovation industries forward. Our commitment to client-centered service, strategic partnerships, and building world-class equipment gives customers the highest level of confidence that their facility will look great and function efficiently using Sportsfield equipment

Sportsfield's motto is Excellence from Design to Installation and from first contact, our sales team is ready to help you select the best solutions for your unique facility. At Sportsfield, our in-house engineers are integral to finding custom solutions that address regional elements such as wind load and soil conditions. We don't stop there! We're also committed to certified excellence and work with 3rd party testing agencies to ensure products like our Ultra Cross® Knotless Baseball Netting Systems and Zone® Outdoor Wall Pads function at the top of their game.

- Custom sizes and designs for available upon request
- U.S. Patents #7,784,636; #8,016,149

Item Number	Product Description
CBTS1830	ComBox® electrical / communication box for poured/paved synthetic track surface
CBTS1815	Half ComBox® electrical / communication box for poured/paved synthetic track surface
CBMS1830	ComBox® electrical / communication box for rolled track mat surface
CBMS1815	Half ComBox® electrical / communication box for rolled track mat surface
CBBM1830	ComBox® electrical / communication box for asphalt or concrete
CBBM1815	Half ComBox® electrical / communication box for asphalt or concrete
CBIT1830	ComBox® electrical / communication box for synthetic infill turf
CBIT1830HD	Heavy Duty ComBox® electrical / communication box for synthetic infill turf
CBIT1815	Half ComBox® electrical / communication box for synthetic infill turf
CBIT1815HD	Heavy Duty Half ComBox® electrical / communication box for synthetic infill turf
CBNG1830	ComBox® electrical / communication box for natural grass
CBNG1830HD	Heavy Duty ComBox® electrical / communication box for natural grass
CBNG1815	Half ComBox® electrical / communication box for natural grass
CBNG1815HD	Heavy Duty Half ComBox® electrical / communication box for natural grass

# TurfCool® Irrigation Boxes

## Product Overview

- Addresses safety and aesthetic concerns associated with plastic utility boxes
- Designed to fit specific manufacturer irrigation, rotary sprinkler and/or valve systems
- Easy access makes it convenient for daily use, repairs, and adjustments
- Adapts to most athletic field playing surfaces
- Aluminum or heavy duty steel construction with integrated drainage stub where applicable
- Synthetic turf models include exclusive infill retainage gasket and perimeter turf attachment ledge
- Custom sizes and designs available upon request

Item Number	Product Description
TCITQCV	Quick connect water valve box for synthetic infill turf
TCITQCVHD	Heavy Duty Quick connect water valve box for synthetic infill turf
TCNGQCV	Quick connect water valve box for natural grass
TCNGQCVHD	Heavy Duty Quick connect water valve box for natural grass
TCTSQCV	Quick connect water valve box for synthetic track surface
TCBMQCV	Quick connect water valve box for concrete or asphalt
TCITHRSR	Self-retracting hose reel box for synthetic infill turf
TCNGHRSR	Self-retracting hose reel box for natural grass
TCTSHRSR	Self-retracting hose reel box for synthetic track surface
TCBMHRSR	Self-retracting hose reel box for concrete or asphalt
TCITTS170V	Toro® TS170 series sprinkler box, synthetic infill turf
TCITTS120V	Toro® TS120 series sprinkler box, synthetic infill turf
