WHAT'S NEW

Flags and Banners

An Essential for any Venue

CoverSports recently acquired Metropolitan Flag & Banner, a manufacturer in Philadelphia with their own 90+ year history of success. The addition of their expertise to that of our own means that we now offer a wide variety of expertly crafted sports flags and banners to our catalog. See page 34 for more details.

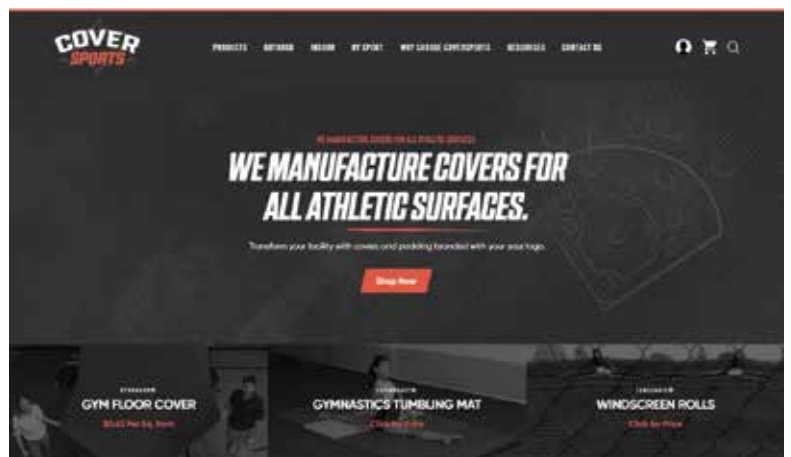

CoverSports.com

Completely Redesigned for Easier Use

Launched this past fall, we have a completely new website at coversports.com. More products are online and available for purchase, and browsing our catalog is easier than ever.

Look for the QR Codes to Shop Online
Link Directly to our Webstore from this Catalog

Simply point your phone's camera app at the QR codes (like the one below) you will find within this catalog and a link to the product page on our website will pop up for you to click on.

MANUFACTURING

CoverSports - just down the road from Center City Philadelphia

Windscreen being inspected and packaged

Finishing a windscreen with IncrediSeal hems

160,000 sq. ft. of manufacturing space

“The field cover arrived right in the nick of time! The coaches, players and grounds crew love it! Thank you for your product and service.”
Paul Hammond, Associate Director of Athletics for Facilities and Operations The University of Akron

“CoverSports was very easy to work with. High quality product and timely delivery. [The windscreens] added so much to our campus. They look fantastic.”
Nate Boock, Activities Director Ballard Bombers

FENCEMATE®

Windscreens

For that professional look!

STANDARD FEATURES:

- Standard heights: 6' and 9' (custom available), finished to any length
- Multiple colors to match your team's, see pg. 6
- Center lacing lip is standard for screens higher than 6' (extra row of grommets prevents wind damage)
- Brass tooth grommets, spaced 18" apart on all sides
- Maximum UV protection
- IncrediSeal heat sealed hems standard (see below)

Classic Mesh & ArmorMesh

Our two most popular FenceMate fabrics!

Classic Mesh (VCM9X12)

- Light weight (8oz.) vinyl coated mesh- easy to handle, install, remove
- 84% closed weave
 - more privacy
 - Displays color and printing beautifully
- Budget friendly - quality fabric at a lower price
- 3 year warranty
- Available in 15 colors, see pg. 6

ArmorMesh (VCP16X16)

- 14 oz. woven, extrusion vinyl-coated polyester - most durable windscreen on the market
- Excellent tear strength and abrasion resistance (up to six-times more than traditional VM dip-coated windscreen) - stands up to harsh weather conditions
- 75% closed weave
 - more wind passage
 - Displays color and printing beautifully
- 5 year warranty
- Available in 13 colors, see pg. 6

Printed Windscreen Panels on Classic or ArmorMesh

From simple lettering to full-scale graphics, branding can:

- Add value to your school and team
- Customize your facility and dress up your fence
- Generate ad revenue with your sponsors' logos
- Promote team spirit

See pg. 36 for information about TuffPrint

STANDARD FEATURES

Brass grommets on all hems

Lacing lip for screens over 6' high. Prevents billowing & breakaway.

OPTIONAL FEATURES

Half-moon air vents or 6" x 12" boxed air vent

ACCESSORIES

8" cable tie

Standard (50lb tensile) or Heavy-duty (120lb tensile) to prevent wind damage

IncrediSeal™ Technology

- All sewing and stitching eliminated: no thread breaks
- 'Clean' look - lays flat, no pleats, no black webbing

Batting Practice Infield Protector with TuffPrint
West Chester University, PA

Infield Turf and Collar Protector with stakes

FIELD SAVER®

Infield Turf Covers

Protect Your Turf from Wear and Tear!

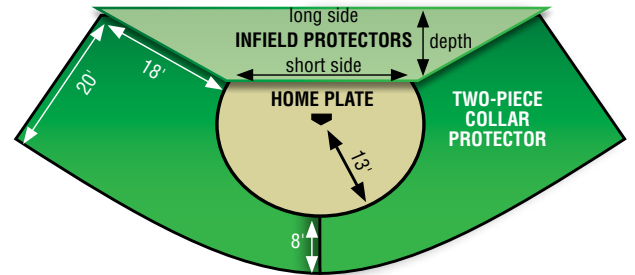

Heavy-duty mesh covers from CoverSports will protect your natural turf in front of and around the batting cage and other high-wear areas during practice.

Batting Practice Infield Protectors

Available in 8 oz. Classic Mesh and 14 oz. ArmorMesh, these covers protect your infield from concentrated ball force during batting practice. Edges are reinforced and grommeted. (VCM9X12 Classic Mesh not for cleat traffic) See chart below for specifications.

Batting Practice Collar Protectors

These two-piece ArmorMesh covers have grommeted edges and are designed to withstand baseball cleat traffic!

Ventilation	Bottom vents to let moisture drip out
Installation	Z-clip attachments for easy installation (not included)
Standard Sizes	4' wide sections x the height you need

“Thank you for making the backstop padding for us. It looks great and everyone complimented the work.”

*Neil Weigle, President
Four County Little League*

PORTABLE FENCING

Patent #US D635,275 S

Custom size one-piece kits available

GRAND SLAM FENCING™

In-Ground

Create an outfield on natural turf

FEATURES:

- Durable yet soft
- Quick and easy to set up and take down
- Red, blue or green, all with yellow home run marker
- Pole spacing: 10' standard, 5' for reduced sagging
- 4' high
- Available in 5 different one-piece lengths: 300' HR (471'L), 200' HR (314'L), 150'L, 100'L, 50'L
- See pg. 19 for accessories

BENEFITS:

- Creates temporary enclosed ball field with HR marker
- Low cost
- Requires minimum storage space in off season

Extra stability and reduced sagging with optional poles at 5' intervals

The additional poles keep your Grand Slam Fencing System more taut and resistant to movement during wind, for an even more attractive and durable outfield solution. Optional sockets provide enhanced ground reinforcement. (see pg. 19)

Poles at 5' intervals

In-ground Grand Slam Fencing™ is easy to set up and take down

1. Insert poles through 3 loops woven into fence fabric.

2. Attach fence fabric to top cap with easy open/close latch.

3. Mark and drill holes for poles with 18" auger (included).

4. Place poles or (optional) sockets in holes. Fence is ready for use!

5. When you take down fence, roll up with poles in place. Takes minutes!

Kit sizes & components, see page 18

GRAND SLAM FENCING™ Above-Ground

Portable fencing for synthetic turf, asphalt, concrete and natural turf. No holes required

All of the great features of In-ground GSF (except no sockets or foul poles):

- Durable, yet soft
- Quick and easy to set up and take down
- Red, blue or green, all with yellow safety marker
- Standard: poles at 10' intervals
Optional: poles at 5' intervals
- Weighting for each pole to stand up to wind and prevent tipping
- US Patent No. US D746,484 S

Benefits of above-ground Grand Slam Fencing:

- An attractive, durable and cost-effective solution for baseball/softball outfields, and perimeter and crowd control needs
- Installation and removal quick and easy – no barriers to move and minimal storage space required!
- A fraction of the cost compared to other options
- Perfect for any event where drilling holes is not an option or not preferred

Above-Ground Grand Slam Fencing Feature

Weighted base keeps fence in place

Above-ground GSF as outfield fence on natural turf

What to expect:

- AGGSF will move when players impact the fence. Poles will bend and base weights will move.
- AGGSF will also move or blow over from strong winds. Adjustments to pull fence taut or to upright poles will be needed if the fence remains on the field for the season.
- AGGSF is durable, but not indestructible – regular bending of poles and strain on 4-way bases fitting (e.g. bending of fence to retrieve balls instead of walking around fence) will eventually result in breakage. Replacement parts are available for purchase. Minimizing wear-and-tear on fence parts will lengthen the life of AGGSF.

(not recommended for use during 30 MPH winds or greater)

Above-ground GSF for crowd control

Kit sizes & components,
see page 18

 Green with yellow numerals

 Blue with white numerals

 Red with white numerals

To determine the ideal combination of standard length kits, call us or use the calculator on the website. Sockets are optional/additional for in-ground kits only. Quantity of sockets should match poles.

GRAND SLAM FENCING™

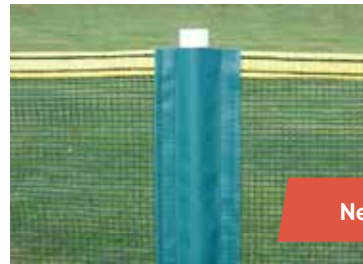

Premium Fencing Kit (In-Ground Only)

Everything you need in one kit

Available in two sizes, for a 200' or 300' home run distance, and with poles either every 5' or every 10'. Our Premium Kit includes the socket kit, foul pole kit, distance banners, and a tape measure. Everything you need for a long-lasting and easy to manage installation.

Vinyl Pole Pockets

All versions of Grand Slam Fencing are optionally available with pole pockets to make setup and takedown even easier.

New for 2021

GRAND SLAM FENCING™ In-Ground Accessories

Socket kit

Socket Kit

FEATURES:

- 12" long PVC socket (quantity varies per kit)
- Top cap to cover socket when not in use
- Tool to set socket

BENEFITS:

- Easy to install/stays put for easy reinstallation
- Gives extra stability
- Allows for quick removal of fence for mowing or events

Foul Pole kit

8' High Foul Pole Kit

(not available for above ground fencing)

FEATURES:

- Two 8' yellow foam foul poles
- Two PVC reinforcing foul poles (attach to fence end poles)
- Two ground sockets
- Six 19" yellow tie wraps for attachment

BENEFITS:

- Gives the outfield that finished look
- Makes fair and foul balls obvious

Sponsorship Banners

Sponsorship Banners

FEATURES:

- Printed on durable 13 oz. vinyl
- 4' high and 5' long
- Grommets for easy attachment

BENEFITS:

- Leverage The Power of Branding to help cover the costs of your fencing and ball field
- Raise money by offering sponsorship opportunities
- Encourage additional support by displaying current sponsors

TENNIS & TRACK

Seat Covers

- Our Stadium Seat Covers are multiple purpose:
- Block spectators from sitting in unassigned seats
 - Enhance the look of your stadium by adding color, texture and even graphics
 - Huge sponsorship and branding opportunity!
 - Provide appearance of a fuller house by covering unused seats and redirect crowds.
 - Allows for adjusting seat capacity on event-by-event basis

FEATURES:

- 9 oz. Classic Mesh or 14 oz. ArmorMesh (see page 6 for colors)
- 24 grommet spacing around the perimeter
- Made to the length and width you need
- Printable with graphics to display your team or sponsor's logo
- Made in our Philadelphia factory!

Stadium Padding

Dress up your stadium with pads printed with TuffPrint graphics (pads that attach/remove or vinyl pad covers).

Goal Post Padding

FEATURES:

- 6' standard height
- 18 oz. coated vinyl cover
- 4" Classic foam
- Velcro or grommet closure for lacing to goal post
- Standard sizes fit pole diameters up to 6"
- Printable with custom graphics and text
- Color options match those of Stadium Padding

Velcro closure option.

Stadium Wall Padding Specifications	
Foam Type	2", 3" or 4" Flex-Firm IFD 100
Backing	.75" exterior grade plywood backed
Colors	 Maple Green, Royal Blue, Red, Navy Blue, Gray, Maroon, Sky Blue, Purple, Yellow, White, Tan, Black, Kelly Green, Orange
Ventilation	Bottom vents to let moisture drip out
Installation	Z-clips for easy installation (optional/additional)
Custom Sizes	Yes. Call 1-800-445-6680 for quotes.

Silver/Black poly cover protecting Lincoln Financial Field, home of the Philadelphia Eagles

FIELD SAVER®

Rain Covers

FEATURES:

- Rip, rot and mildew resistant
- Heat-sealed for complete waterproof protection
- Weather resistance
 - Treated to prevent breakdown from UV sunlight
 - -40° F cold crack formulation, stays supple in the coldest winters
- Brass tooth grommets secure cover to turf with included stakes.
- Made in sections with Velcro to join.
- Web or special hand holds standard on large field covers
- 1.5" wide, 3-layer hems, poly sewn

Shaw Park, Clayton, MO. February 27, 2011. Covers in place November, 2010. Visit www.coversports.com for full case study.

"The results were incredible. Not only did the existing grass grow and green up, but the bare spots that we seeded in the fall were covered with thick new grass."

*Paul Heron, Grounds Supervisor
Unionville-Chadds Ford School District, PA*

"CoverSports supplied me with custom-made, high-quality growth covers. They really hold up during the harsh winters of the Northeast. The edges don't rip, and the grommets provide a nice spot to pin them down."

*Dan Shemesh
New York Red Bulls, MLS*

FIELD SAVER®

Winter Turf Blankets/ Growth Covers

Experts choose our dual-purpose cover!
Greener, thicker grass, it's incredible!

Read a case study by
Clayton Missouri Athletic Fields
Technician, Josh Slayback

AS A WINTER TURF BLANKET

Provides turf protection from the harsh winters:

- Shields your turf from wind, ice, snow, frost
- Prevents unwanted foot and animal traffic

AS A GROWTH COVER

Promotes faster growth and green-up
in the spring:

- Warms the soil and air temperature
- Allows light to pass through

FEATURES:

- The industry's best strength and durability
- Proven by experts in the field
- 3 oz., 100% woven polypropylene
- 6-ply, double-stitched hems
- 90% light pass-through
- Brass spur grommets spaced 5' apart

GYMGUARD® Floor Covers

Add years to the life of your gym floor!

Most gyms are multi-purpose. So your gym floor has to hold up to a lot more than sports - dances, concerts, graduations and other activities. It gets heavy foot traffic, stains, scuffs, impact from furniture and more. GymGuard® covers are built tough to protect your investment.

FEATURES:

- Ultra-durable, 3 ply fabrics - PVC coated (on both sides) polyester mesh.
- Fire retardant to all standard fire codes - NFPA 701, CA Fire Marshal and UL 300
- Available in 15 colors and 5 weights
- Waterproof, rot and mildew resistant, anti-fungal and anti-bacterial
- 10' wide sections - seams are strong and lay flat
- Custom-made to your gym floor dimensions, or
- Available in 10' x 100' sections for quick shipment
- Ships on a roll to prevent wrinkles and creases

NOTES:

- We need to know if you have access to a loading dock for delivery.
- We offer 10 foot wide seamless covers whenever available or requested (depending on color, weight, and inventory). If not specified, we may construct using two 5 foot sections heat sealed together.

COVER SIZING - THE 10-FOOT SOLUTION

GymGuard covers are constructed in 10' wide sections for easy handling. When figuring the size of the cover you need, we suggest adding 6"-12" for overlapping each section. (For example, for a 75 x 110' floor, order 8 sections measuring 10' x 110' each.)

GYMGUARD® Slip-resistant Fabric

New for 2022, this new 8 oz. woven polyethylene GymGuard features a specially formulated coating and texture that increases traction for foot traffic. Available in tan.

GYMGUARD® Plus

Durable gym floor cover protection PLUS a unique raised pattern provides more than 2 times the slip resistance* of standard GymGuard surfaces.

- Advanced slip resistance = enhanced level of safety
- Available in Tan and dark gray colors
- 32 oz. and 27 oz. weights

* Contact us for test results.

GymGuard floor cover McCreary High School

Standard Runners

- 32 oz. weight in GymGuard Standard or Plus fabrics
- 4' x 50' (50 lbs.) or 5' x 50' (60 lbs.)
- Includes tube for storage and handling
- Custom sizes available
- Tape and hand-held dispenser available for taping ends
- Can be customized with lettering/logo

STANDARD COLORS:

Tan, Brown/Tan, Royal Blue, Royal Blue/Tan, Red, Green, Burgundy, Burgundy/Tan, Kelly Green, Navy Blue, Dark Gray, Black

PLUS COLORS:

Tan, Dark Gray

Runner protects high-traffic areas

Free walk-behind tape dispenser with purchase of two cases of tape*

*Offer limited to one per customer.

“...it (GymGuard) has been a great piece of equipment and in fact, we now use it in several venues around campus to protect a variety of surfaces.”

*Keith E. Voeks, Asst. Director
University Events
Central Michigan University*

Accessories

Tape with hand-held and walk-behind dispensers

- Secures overlaps and perimeter edges
- Leaves no residue on floor or cover edges
- 3" wide x 108' of transparent vinyl per roll (16 rolls/case)

Standard Rack

Free freight on most orders.
Call for details.

STANDARD FEATURES

Two hand cranks with rotating grips for easy winding

Aluminum safety collars, yellow security bars, blue vinyl end caps

Four 8" non-marking, urethane swivel wheels with safety brake

Premier Rack

PREMIER FEATURES

Storage trays with safety leg extenders

Six 8" wheels

GYM GUARD®

Mobile Storage Racks

Easy lay-down and roll-up.

Our standard rack allows safe, fast and easy covering of the gym's surface. Roll-up and transport to storage area can be done by two people. Racks are available in 6, 8, and 10-roller models, and come unassembled.

FEATURES:

- Four 8" non-marking urethane, swivel-type wheels can support up to 3,600 pounds of cover and rack
- Yellow safety bar and aluminum safety collars – prevent the roller from popping out, side-to-side movement and accidental finger pinching
- Blue vinyl end caps – protect from sharp edges
- Safety brake – placement and design make it easy to lock all wheels in place
- Rollers are 14-gauge galvanized steel and the entire frame is a mig-welded, all steel construction

INCLUDED WITH ALL RACKS:

- New rotating grip makes rolling up easier
- 3 fabric clips per roller for securing cover to roller
- Instructions for assembly and operation

Premier Mobile Storage Rack

The Premier Rack is an upgraded version of the Standard Rack that includes even more safety features:

- Six 8" diameter wheels reduce risk of damage to floor boards by distributing weight load and allow for easier rack movement
- Two safety leg extenders with two 3" wheels on each provide extra stability
- Storage trays to hold extra rolls of tape or the Power Winder

Wheels	8" non-marking urethane swivel types, all with foot-locks

GYMNASIUM

Our padding meets ASTM standards for flame spread and impact resistance

TUFFPRINT™

PRINTING THAT LASTS

Printed Wall Pad

THE POWER OF BRANDING®

Wall Padding

Make the green choice.

EnviroSafe is made of recyclable and recycled material. Our wall padding costs no more than other standard urethane/poly foam panels. We have foam types that meet ASTM E-84-08a standard ASTM 2440 and Calif. Technical Bulletin #117.

FEATURES:

- 24" width x 60", 72", 84" or 96" heights, 2.5" thickness
- 2" Medium-Firm foam meets ASTM F-2440 for impact resistance (and option for class A E-84)
- 1.5" Extra-Firm available
- Phthalate-free and antibacterial covering
- Contributes to LEED credit score

COLORS:

Green, Royal Blue, Red, Navy Blue, Gray, Maroon, Sky Blue, Purple, Yellow, White, Tan, Black, Kelly Green, Orange

WALL PADDING INSTALLATION

Standard 1" nail margins

Additional Z-clip mounting attachments. Easy removal, repair or replacement of wall panels (no nail margins).

Custom cut-outs available

"...received our mats today. They are amazing! Thank you so much for the excellent care you provided! We had such a good experience, we hope to use CoverSports as a vendor in the future!"

Coach Carlos Reyes
Owner, Funky Fit LLC

ENVIROSAFE®

Gym Mats

Our EnviroSafe gym mat collection is safe for gymnastics, martial arts and the environment. EnviroSafe has a suitable mat for all skill levels and activities.

Folding & Non-folding Mats

EnviroSafe tumbling mats are available in many foam choices, sizes and color combinations.

NISSEN® ENVIROSAFE®

Foam Gym Products

The green foam that meets your needs

Our exclusive EnviroSafe Gym mat and padding collection is made of a specialized "green" foam product that is safe for your gymnasts, players and for the environment.

FABRIC COVERINGS

Our PVC-coated fabrics are super tear-resistant, antibacterial, phthalate-free and have high UV and flame resistance. They can take the most rugged indoor and outdoor wear. All indoor mats and wall pad coverings meet fire codes – including NFPA 701, CA Fire Marshal and UL 300. Other vendors use 14 oz. laminated fabrics, which tend to peel after extended use. Our 18 oz./sq. yd. fabrics are coated in one homogeneous layer of PVC and polyester. See color chart on page 31

ENVIROSAFE FEATURES:

- Made from 60%-100% recycled pre-customer raw material
 - Phthalate-free. Does not contain phthalates
 - Varying degrees of firmness
 - Safer than Urethane, Poly or Rebond foams
 - Our wall padding line contributes to LEED credit score
- For additional details, see our website.

- Velcro attachments for easy on/off

"Thank you for getting the hanging mats, they are terrific! I appreciate your individual attention... during the entire production process!"

Dr. Donald Cox
Cuyahoga Community College

Sensory Room Padding

Create a safe environment for people who have a tendency to fall or propel themselves into the walls or floor. They are also ideal for people who need a space free of stimuli that may cause negative reactions, including loud noises, bright lights, and rough patterns or textures.

Gym Divider Curtains

Gym Divider Curtains provide an easy and economical solution to divide your gym space for multiple activities.

FEATURES:

- Constructed of fire-retardant vinyl-coated polyester mesh to allow air flow, or solid vinyl for privacy (12 colors, see below)
- Available with mesh top (white or gray) and 18 oz. solid vinyl bottom, at no additional cost
- Walk-draw style
- Weighted bottom hem
- Made to order in our manufacturing plant

COLORS:

Tan, Royal Blue, Light Gray, Red, Green, Burgundy, Kelly Green, Navy Blue, Dark Gray, Black, Orange, Yellow

Conference Banners

Polyester Pole Banners

Appliqué Achievement Banner

Sports Banners

Brand your athletic facilities with your team, school, or conference logos on banners that will catch the eye.

FEATURES:

- Can be constructed single sided with or without a liner on the back, or double sided
- Edges hemmed all around. Vinyl can optionally be delivered unfinished
- TuffPrint™ printing lasts as long as the fabric
- Attachment options:
 - Pole pocket (3" standard, any size possible)
 - Grommets (spacing depends on banner size)
 - Webbing with D rings
 - Velcro

Pole Banners

Extend your brand to the area around your sports venue. Highlight your team colors and logo, display recent accomplishments, or transform your facility for a special event or postseason run. We offer Sunbrella fabric for this type of banner only.

Championship Banners

Tell the story of your team by hanging championship banners above your court or field.

THE POWER OF BRANDING

Promote your brand using virtually any athletic surface: fence screens, gym wall pads, field covers, stadium padding and sideline tarps. All can bring power to your brand while also adding to protection to your facility and players.

The power of branding

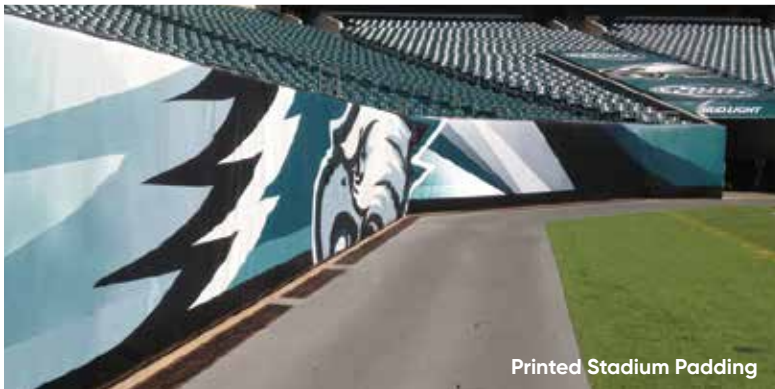

- Adds a 'wow' factor to any facility
- Promotes spirit and loyalty for your brand
- Raises revenue from sponsors' and advertisers'
- Promotes awareness of the brand

In-house graphics department

CoverSports uses the TuffPrint ultra-durable printing process to bring your brand to life! Because we are the manufacturer, the power of branding is more accessible and affordable than ever!

Seat Covers and Windscreen with TuffPrint

Printed Stadium Padding

Printed Windscreen

TuffPrint™ Advantages

Features	Benefits
One-color to unlimited color selection and gradient shading	Infinite graphic possibilities to display your brand, from simple lettering to intricate images
Image sizes of all scale can be printed	Satisfies need to print small banners to fully padded gym walls, large stadium wraps and everything in between
Ultra-durable imaging using premium ink	Professional grade ink creates vivid images
Printing done in-house	With all machinery on site, we pay careful attention to each step of the printing. Best pricing in the industry.
Printing lasts as long as the cover itself – will not wear off	Your branded message lasts, and makes a lasting impression

TuffPrint Step-by-step Process

1. Select your printable fabric – ArmorMesh, Classic Mesh or Solid Vinyl
2. Customer sends graphics, lettering needs, etc. to sales@coversports.com
 - Best if images are vector, eps or high-resolution pdf files
 - Or we can provide an image
3. CoverSports sends proof to customer (upon receipt of order)
4. Customer provides changes, (additional proofs provided)
5. Final proof is approved by customer
6. Production begins and product ships
